ORWELL PARK SCHOOL

Awarded

**EXCELLENT**

**Orwell Park School are delighted to be graded as excellent, the top grade, by the ISI inspection team in our recent Educational Quality Inspection.**

The top grades for achievement and personal development are testament to the hard work of all concerned. The children were a credit to the School and showed the inspectors the qualities that we are fortunate to see every day at school. My thanks to our staff, who did what they do every week of the year, nurturing and supporting our pupils and encouraging a love of learning, both in and outside the classroom. The report captures much of the essence of the School and the holistic education which we value so highly.
